MEMORANDUM FOR THE RECORD

B

SUBJECT: Project [REDACTED]

25X1A

1. Following the discussion in Mr. Bannerman's office, during which OTR reported the results of their look at Project [REDACTED] and a decision was made against picking it up, I passed this information to Mr. [REDACTED]. [REDACTED] appreciated the response and said that he would pass the word to "Tom". I told him that our response was informal since his approach had been informal, and he agreed that this was appropriate.

2. I also telephoned Mr. [REDACTED] to inform him of the above decision and advice in case any question on the point should come to his attention. Mr. [REDACTED] expressed the opinion that the Project would probably drop.
